**OUR FOUNDERS**

It all started with a dream. Founded in 1988 in New York City by the Moradi Family, Faviana became more than a family business. The Moradi’s wanted to create dresses that would help women feel great and celebrate themselves during all of life’s special moments. With a combination of red carpet glamour and the elegant spirit of New York City, the Moradi’s created innovative designs that would help make dreams come to life. Exceptional craftsmanship, quality fabrics, intricate detailing, and contemporary silhouettes are what make a Faviana dress stand out amongst the crowd.

**VERSATILITY**

Pioneering the “Faviana Fit”, the Moradi’s truly understand that every woman is beautifully unique and the way she dresses should express that! Catering to each woman’s individualized nature, Faviana has established a collection of dresses that compliment all styles and sizes. Offering extended sizing from 00-24W, Faviana has something for everyone. Whether choosing a dress for prom or a wedding, there is a personalized style for every important life milestone.

**NYC INSPIRED**

Faviana is everything that New York City is: sophisticated, forward-thinking, bold, energetic and confident. Home to people from all over the world, New York City synthesizes the diverse spirits of the arts, design, adventure, and re-invention into a rich and multi-faceted mixture – sometimes romantic, sometimes edgy, but always with the sense of glamour; that is the signature of a Faviana dress. As NYC is both a world fashion capital and is social by nature, Faviana proudly makes red carpet worthy moments for women’s most important milestone events.
